LIBRARY HANDBOOK: GUIDE TO RESOURCES AND SERVICES

GENERAL INFORMATION

MISSION

The San Nicolas Municipal Library collects, preserve, and make available library materials in print, non-print and in electronic resources, that enhances the cultural, spiritual, social and economic needs of the Municipality of San Nicolas and its people. As a public entity, the library pledges to provide equal and free access to its recreational, informational and educational materials for all library users. The San Nicolas Municipal Library is committed to support and provide resources and services for a lifelong enjoyment of reading and learning.

VISION

The San Nicolas Municipal Library embraces the vibrant economic development of our community while preserving the rich heritage and values of the past and enriching the quality of life for all. We aspire to be the best possible public library. We create opportunities to participate and to discover, providing a gateway that connects and links people, ideas, and information.

We are committed to excellent service to the community.
